Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

A Wart or Pimple MAY BE CANCEROUS.

When a wart, mole or pimple shows any sign of tenderness it is a warning that bad blood is behind it. Often these places are on the face, hands, legs or other part of the body for years, and give no sign to cause uneasiness, and then with a little rough handling, a slight cut or bruise will develop into a sore that refuses to heal, and the sufferer finds himself afflicted with a cancerous ulcer.

About three years ago a blister came on the right side of my nose. It grew speedily in spite of all efforts to heal it up; the pain was not very severe at first, but increased when the sore began to inflame and discharge matter. At times the place would scab over and appear to be getting well, but the scab would drop off, leaving a red, angry looking ulcer. I had almost despaired of ever curing it, when my attention was called to S. S. S., and after taking a few bottles the sore began to gradually grow smaller, the discharge stopped and I was cured. Owensboro, Ky. JNO. MASSIE.

If the blood is pure and healthy these sores cannot exist. S. S. S. is the ideal blood purifier. It cleanses the blood of all poisons and impurities, making it strong and vigorous and able to supply the body with the strength and nourishment it needs. There is nothing that acts so promptly as S. S. S., toning up the entire system, helping the general health and curing sores permanently. Do not let a wart or pimple develop into a cancerous ulcer, but purify your blood with S. S. S. It is nature's remedy, purely vegetable, and while driving all poisons from the blood, will build up every part of the system. Book on the blood and any medical advice desired will be given without charge, to all who write.

Periodic Pains.

Dr. Miles' Anti-Pain Pills are a most remarkable remedy for the relief of periodic pains, backache, nervous or sick headache, or any of the distressing aches and pains that cause women so much suffering.

As pain is weakening, and leaves the system in an exhausted condition, it is wrong to suffer a moment longer than necessary, and you should take the Anti-Pain Pills on first indication of an attack.

If taken as directed you may have entire confidence in their effectiveness, as well as in the fact that they will leave no disagreeable after-effects.

They contain no morphine, opium, chloral, cocaine or other dangerous drugs.

"For a long time I have suffered greatly with spells of backache, that seem almost more than I can endure. These attacks come on every month, and last two or three days. I have never been able to get anything that would give me much relief until I began the use of Dr. Miles' Anti-Pain Pills, and they always relieve me in a short time. My sister, who suffers the same way, has used them with the same results." MRS. PARK, 721 S. Michigan St., South Bend, Ind.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.
